Data Collection (general or specific stats regarding results)

80% of the students scored above 75% in the anatomy portion of our national certification exam. The national mean score was 73% while the class of 2015 had a mean score of 84% placing them in the 115 percentile when compared to the national average.

What We Learned (areas for improvements, strengths, etc.)

We will still continue to put emphasis on the importance of a solid knowledge base of anatomy and how it relates to our program outcomes.
