

In-Person Will Preparation* Services with a professional attorney!

As an added benefit when you enroll in MetLife's Supplemental Term Life plan, you have access to personal Will Preparation services offered by Hyatt Legal Plans — at no additional cost to you! You and your spouse/domestic partner can access professional attorneys to help you prepare or update a will, living will or assign a power of attorney. Choose to meet in-person or by phone with a participating attorney. Fees are fully covered for in-network attorneys and there are no claim forms to file!

Having a will is one of the most important things you can do for your family.

Making sure it's up-to-date will documents important decisions about the distribution of your assets. Without a will, your final wishes may not be acknowledged because assets may be distributed according to state law. With Will Preparation services, you have access to professional resources to help ensure your final wishes are clear.
